OUR PHILOSOPHY

We respect our clients, their families, our employees, our community, and all our stakeholders.

We remember that each client is a person, a family member, and a member of a larger community. Also, that each patient requires a different amount of emotional, physical, psychological, social, and spiritual support.

OUR SERVICES

Caregiver Grove provides services 7 days a week.

We provide:
- Case Management
- Crisis Intervention
- Continued Care
- Individual & Family Counseling
- Intensive Outpatient Program (IOP)
- Support Groups
- Urinalysis

OUR PROGRAM

Our treatment program focuses on utilizing client-centered approaches for individuals choosing to live a life without the use of substances, including alcohol. Give us a call today to schedule an appointment with a licensed therapist.

Prepare for your appointment...
- Be honest about your drug use
- Make a list of all medications you're taking
- Make a list of questions to ask

DIAGNOSIS & TREATMENT

Diagnosing Substance Use Disorder (SUD) requires a thorough evaluation and assessment by a licensed therapist.

Our SUD Treatment Program offers options that can help you overcome an addiction and stay drug-free.
