Caregiver Grove Behavioral Health

WHY US

The purpose of school based counseling programs are to enhance and promote the learning process. Our goal is to enable ALL students to achieve success in school and to develop into contributing members of society.

Parents are full participants in the treatment of their children. Issues we can address: ADHD, Adjustment Difficulties, Anxiety, Coping Skills, Depression, Trauma, PTSD, Stress Management, and much more.

OUR MISSION

We are committed to enhancing the behavioral health and wellness of individuals, families, and communities through:

- The promotion of behavioral health and wellness, prevention, early intervention, treatment and recovery.
- The creation and leadership of an integrated network of providers that promotes universal access to comprehensive, data-driven services.

OUR VALUES

Honor

Our mutual understanding of expectations is based on consistent leadership, professionalism, integrity, respect and appropriate confidentiality.

Optimism

We look at things with a positive eye, keep an open mind and try to see the good in things first.

Perfection

Our confident pursuit in providing the highest quality care. We will always expect more of ourselves than our clients do.

Equality

Our clients and staff will be treated with respect and dignity regardless of any specific characteristic.
